

ASCP 2022 Safety & Compliance Conference

Conference programme

Day 1 – Tuesday 14 June

9.30 Welcome Address

Claire Heyes FCCA, Chief Executive, ASCP Group

An introduction to the conference, update and overview.

9.50 Compliance and Culture

Anne Hinchey, Group Chief Executive, Wales & West Housing

Compliance is not just a 'technical' matter. It is a matter of culture. Culture is at the heart of everything and is set from the top. Let's get it right!

10.10 The Human Dimensions in Compliance Systems Implementation

Matt Sharp, Non-Executive Director, CORGI Technical Services

Understand the complex human dynamics that make or break compliance systems implementation.

10.30 Commemoration for Grenfell Tower's 5th Anniversary

10.35 Networking & Exhibition Break

11.30 PAS 9980: 2022 Fire Risk Appraisal of External Wall Construction and Cladding of Existing Blocks of Flats – Code of Practice

Dr. David Crowder, Partner, DCCH Experts LLP

11.50 Achieving Low Carbon Housing – the Challenges in the Heating Market

Victoria Matthews, External Affairs and Policy Manager, Vaillant

An overview of the challenges facing home heating, what must be addressed, and the technology mix needed to achieve decarbonisation.

12.00 Gas Regulation 36a – MOT Style Servicing

Paul Newton, Downstream Gas Operational Policy Lead, HSE

5 years on.

12.15 New Builds – The Challenges of the Electrical Handover

Calum Mansell, Technical Safety Manager Electrical, CORGI Technical Services

A review of the challenges facing Electrical Teams in Social Housing when being handed operational control of new housing stock. This includes on site checks, on-going maintenance, and equipping for the future.

12.35 Lunch, Networking & Exhibition Break

12.40 Women in Compliance Coaching & Networking Session, with Lunch

Stephanie Smith, Professional Development Coach

Boundaries – do less to get more done!

13.45 Developing and Maintaining a Golden Thread of Information

Dr. Hywel Davies & Aman Sharma, Chair, Building Regulations Advisory Committee & Deputy Chair, Building Regulations Advisory Committee

This session will explore golden thread policy requirements in greater detail, and will outline best practice and early adoption to enable your organisation for the new safety case regime for higher risk buildings.

14.15 INSPIRATIONAL SPEAKER THRIVING IN THE FACE OF ADVERSITY

Simon Weston CBE

During the Falklands War in 1982 Simon was aboard the RFA Sir Galahad - when it was destroyed in the Bluff Cove air attack. He was severely injured, sustaining serious burns to 46% of his body. Hear Simon's inspiring story of how he thrived in the face of adversity.

14.50 Networking & Exhibition Break

15.40 Can You Delegate Your Duties to a Water Treatment or Legionella Control Service Provider?

Anthea Davies, Council Member, Legionella Control Association (LCA)

16.00 Emergency Lighting, Compliance and IoT

Chris Loughlin, UK Sales Director, Hispec

How to ensure that your emergency lighting complies with the relevant British standards and how the IoT technology can help.

16.10 Retrofit – Reducing Energy Costs and Carbon Impact

Luke Osborne, Energy & Emerging Technologies Solutions Advisor, ECA

The gains that can be made through correct implementation of coordinated retrofit works.

16.30 Closing Comments

16.40 International Wine Tour, Exhibition Hall

Day 2 – Wednesday 15 June

9.30 Welcome Address

Bill Paton, Chairman, CORGI Technical Services

9.40 Building Safety at Orbit

Neil Yeomans & Kelly Lee, Head of Property Safety & Building Safety Leader, Orbit Group

Orbit's progress on all things building safety - a case study approach.

10.00 Lifts, Fire and Disabled Residents

Nick Mellor, MD, Lift and Escalator Industry Association (LEIA)

The use of lifts in the event of fire and for the evacuation of disabled people. Be prepared for the forthcoming changes.

10.20 Electrical Safety in the Social Rented Sector

Isobel Ames, Policy Adviser, Social Housing Safety, DLUHC

An overview of the Government's recent work to ensure social housing residents are safe from electrical harm.

10.35 How Legislation Continues to Shape the Future of Domestic Heating and Hot Water – an Update

Elizabeth Wilkinson, Head of Domestic Product Management Groupe Atlantic UK & ROI, Groupe Atlantic

What changing legislation around heating and hot water means for those managing, maintaining, and living in, our homes and buildings.

Refreshments available at every break
Programme may be subject to change

10.45 Networking & Exhibition Break

11.25 Commercial Gas Installations – Risks & Quality Control Requirements in Multiple Occupancy Buildings

Jamie Cooper, Technical Safety Manager, CORGI Technical Services

Including examples of issues that have been raised and how safety and quality control can be achieved.

11.45 Affordability of the decarbonisation of heat – a phased approach

Anthony Watton, Head of Specification Residential, Baxi Heating

Current affordability risks, how a phased approach could minimise this and the quick wins to improve both carbon emissions and fuel poverty.

11.55 The Impact of BS 7671:2018 Amendment 2, Some Significant Changes

John Peckham, Member of IET JPEL 64

A run through of the more significant changes, including new requirements for Arc Fault Detection, Surge Protection, RCDs and testing/verification.

12.15 Asbestos: How will the Revised Analysts Guide Impact You?

Emma Willey, Founding Director, ACS Risk Group

With significant changes to the guidance given to the asbestos industry, have you made appropriate changes to your working practices?

12.35 Closing Address

12.40 Lunch & Networking
